WEATHER KEY POINTS

07/05/20 - 07/11/20

Sunday-Saturday

- Significant beach hazards are expected along much of the California coast through Monday, including dangerous rip currents, sneaker waves, high surf, and minor coastal erosion/beach flooding
- Low to moderate heat impacts are expected across Southern Region through midweek.
- Dry conditions will generally prevail and could lead to elevated fire weather concerns when combined with occasionally breezy conditions into early next week, especially along the NV and AZ border on Monday.
 - Other locations that could see gusty winds at times include:
 - The Bay Area hills on Sunday
 - The Kern County desert and mountains on Sunday and Monday
 - The Santa Ynez Range and I-5 Corridor in Southern CA on Sunday night and Monday night
 - Lake County and eastern Mendocino County on Sunday
